# Work at Heritage Center!

UNIVERSITY of DUBUQUE

*The opportunities for students to become actively involved with Heritage Center operations offer a number of career and resume building experiences. Here are the front-of-house jobs that we will be looking for students to fill:*

## **Front of House Opportunities:**

**Ushers:** Work events welcoming patrons to the facility; guiding them to their seats, providing primarily a hospitality, PR, and safety function. Person needs to be knowledgeable of the seating layout, of emergency contingencies and exit plans, and ensuring that all patrons have a distraction-free performance. Most events will likely require a 4-5 hour time commitment when you consider arriving early for some event specific prep time to ushering the patrons out of the venue and tidying up afterwards. Requires a minimum of 4 hours of training prior to working first event.

*\*We require all ushers to work atleast 90 % of events scheduled.*

**Ticketing Assistants:** This position will require some rigorous training, likely in the neighborhood of 6-10 hours which includes some shadowing and side-by-side time with a supervisor. Position will involve cash handling and also serves as a front-line person for the university so excellent customer service is essential as personnel with interact directly with the public through ticketing transactions. The box office may be the very first point of contact for someone outside the university with the university so first impressions are critical. Box office hours are still to be determined.

*\*Ticketing Assistants work in the box office during regular office hours AND during events scheduled that require ticketing.*
