HOW CAN I CHANGE MY NETWORK PASSWORD?

Faculty and Staff are required to change their network passwords every 90 days. Students are not required to do this.

If you wish to change your password optionally:

1. Hold the Ctrl / Alt / Delete keys at the same time.
2. Click on the Change Password button.
3. Enter your old password. (Remember, passwords are case sensitive!)
4. Enter a new password.
5. Confirm your new password.
6. Click OK.

A dialog box comes up saying “Passwords for all selected resources were successfully changed.”

7. Click OK.
