LETTERS HOME

Letters Home puts recent Afghanistan and Iraq wars front and center by bringing to life actual letters written by soldiers serving in the Middle East. The play gives audiences a powerful portrait of the soldier experience during wartime. Although the title of the play implies that all the letters are from soldiers, the piece includes a few letters from parents of soldiers. These letters were written under difficult circumstances; the disorientation of training, deployment, separation from family, combat, and occupation duties. One theme seems to unite these diverse voices; the belief that the person standing beside you is more important than you. The production employs the use of images and video projected behind the actors. Photos and videos used in the production are taken directly from actual soldiers' blogs and web posts. To enhance the theatrical experience of the play, the performance is followed by a Q&A period.

A Cappella sensation

As seen on season 4 of NBC's *The Sing-Off*, VoicePlay is unlike any theatrical experience available today, recreating the orchestrated sound of an entire musical production with nothing but the human voice. VoicePlay takes the timeless sound of vocal music and turns it completely on its head. Vertigo-inducing harmonies pepper VoicePlay's music, lacing it with inventive and hilarious on-stage antics.

JAZZ PROJECT

Jazz/tap dance

A multiple Emmy[®] Award winning performance company based in Chicago, JRJP celebrates the communal core of jazz performance – dancing, singing, and storytelling in rhythmically syncopated conversations to the beat-driven sounds of the blues, swinging jazz, funk, hip hop, and world music. Founded by Billy Siegenfeld in New York City in 1990, JRJP has grown into an ensemble embodying a life-affirming mix of percussive musicality and emotion-driven, vocal-rhythmic dance. According to the *New York Times*, JRJP “captures the exuberant physicality of good dancers when moments of extreme control and abandon are seamlessly combined.”

Cinderella

PERFORMED BY OPERA IOWA (DES MOINES)

For Opera Iowa's 30th anniversary season, Rossini's version of the classic-fairy tale *Cinderella* is a vocal and comedic romp! A wise magician takes the place of the fairy godmother and Don Magnifico, the girl's father, rants and raves instead of a wicked stepmother, but the nasty stepsisters, Prince Charming, and a glass slipper prove – beyond all question – that this is the fairy tale we all know and love. And when it's combined with hilarious characters and situations and set to some of Rossini's finest music, it becomes comic opera at its most exhilarating and often frenzied best!

HERITAGE CENTER

CYBERCAFÉ

Just inside the Heritage Center South Tower entrance with seating for 124, the Cybercafé is a beautiful, light-filled, colorful space for audience-goers to enjoy a meal or snack before or after the show. The floor-to-ceiling glass curtain wall in the café creates an environment for diners simulating both an indoor and outdoor experience all at once. In spring, summer, and fall, patrons might also enjoy sitting on the outdoor patio adjacent to the Cybercafé.

99% of Cybercafé sauces are made from recipes created by our own cooks and include pizza sauce, marinara, alfredo, Asian BBQ, sweet and sour, teriyaki, General Tsao, Kung Pao, and Peanut. Unique sandwich spreads are also homemade – avocado, Cajun, Chipotle, ranch, and others are custom made for special occasions.

Soups and salads are all made from scratch – the lettuce/spinach salads, egg, tuna, chicken, and crab. We hand cut our own pork, chicken, salami, broccoli, peppers, onions and more! We build our pizzas right before your eyes, as well as all sandwiches, and your Asian grill favorites. Customize your own individual pizza (2:00 p.m. - close only), deli sandwich, hot sandwich, or Asian grill creation. Come and join us, we look forward to making your new favorites!
