For OPERA Iowa's 30<sup>th</sup> anniversary season, Gioachino Rossini's version of the classic-fairy tale *Cinderella* is a vocal and comedic romp. A wise magician takes the place of a fairy godmother and Cinderella's father rants and raves instead of a wicked stepmother, but nasty stepsisters, Prince Charming, and a glass slipper prove that this is the fairy tale we all know and love. When it's combined with hilarious characters and situations and set to some of Rossini's finest music, it becomes comic opera at its most exhilarating and often frenzied best.

OPERA Iowa has performed in nine states throughout the Midwest, in Montana, and even Japan, and China to spread the thrill of opera to over 775,000 students and adults. The operas are performed in English with colorful scenery and costumes, theatrical lighting, and musical accompaniment. *Cinderella* is 1 hour 45 minutes in length with intermission and features an opportunity to meet the cast following the performance.
