

How Do I?

Find and Request Books Using WorldCat.Org?

Open dbq.worldcat.org via the [library web page](#)

The screenshot shows the University of Dubuque library website. The browser address bar displays <http://www.dbq.edu/library/>. The page features a search bar with the text "Enter a search term" and a "Search" button. Below the search bar is a "Site Map" link. The main navigation menu includes "Library Home", "Find Books", "Find Articles", "Find Media", and "For Students". The "Find Books" menu is expanded, showing options like "Library Catalog", "WorldCat.org", "WorldCat ATUA Group Catalog", "E-Books and Media", "Other Libraries", "UD Catalog", "Borrow From Another Library (ILL)", "Suggest A Book", and "Kindles". A search type dropdown is set to "Keyword" and a "Search" button is visible. Below the menu, there is a promotional message: "Need to find definitions, statistics, images, etc? Search ARTstor, Oxford English Dictionary (OED), Credo, Oxford Reference Online or other reference sources!".

Summary: The educational crises that the Korean church faces must be resolved not by using any special program or changing some strategies but re-framing the existing concept of Christian education. This paper analyzes Reformed spiritual formation as a significant resolution of the crises in that it can provide alternative concepts for educational philosophy and its methodology to Korean Christian education. To this end, on [Read more...](#)
