

UD for Kids

Drop Off, Pick Up, and Parking Information

Students meet under the Laube Belltower in the center of the UD campus

Please make arrangements to have your student arrive by **12:15 p.m. each day.** **Classes end at 4:00 p.m.** when students return to Laube Belltower where you may pick them up. **In case of rain, students will be dropped off and picked up at Peters Commons, directly across the street from the Laube Belltower area.**

Students enrolled in the Aviation courses will meet all five days at the airport at the UD Flight Operations Center.

Dropping Off Students

For the safety of all students we are requiring that if you are dropping your student off from your vehicle, do so only on the **west** side of Algona Street, as you turn from University Avenue. Please **do not** park on the east side of the street and **do not** allow your child to cross the street. If you are parking and walking your student to the Belltower, crossing guards will be provided for you to cross McCormick Street. Parking is available in the two parking lots accessible from McCormick Street by Hardee's Restaurant.

Picking Up Students

Due to the high volume of traffic on Algona Street at 4:00 p.m., the City of Dubuque requires that you do not park on either side of Algona Street to pick up your student. Please park in the McCormick Street Parking Lots, and arrange to walk your student back to your vehicle. Crossing guards will be available at the McCormick Street parking lots.

Also, it would be helpful to have umbrellas and other personal belongings marked with your student's name. A light snack is provided between classes.
