## BBA: Business

---

Transfer students with an AA in Business from an Iowa Community College wishing to gain a BBA in Business will be able to complete degree requirements in two years at the University of Dubuque.

A BBA in Business equips graduates for diverse roles in sectors such as management, marketing, finance, human resources, operations, and entrepreneurship. The program also provides a solid foundation for those aiming to pursue graduate business studies. Students transferring to the University of Dubuque will earn 1:1 transfer credits for the following major requirement courses:

- **BAC 241 Principles of Financial Accounting**
- **BAC 242 Principles of Managerial Accounting**
- **ECON 101 Principles of Microeconomics**
- **ECON 102 Principles of Macroeconomics**

**BUSINESS**

This transfer pathway removes 12 of the 57 required credits from the degree program. In addition, some business electives taken at your Iowa Community College will also likely transfer in to cover business requirements at the University of Dubuque.
