

UNIVERSITY OF DUBUQUE

TRANSFER-MAJOR PATHWAY TO PSYCHOLOGY FROM ASSOCIATES DEGREE

Community Reach 99

Transfer majors are an affordable and direct pathway to the completion of a bachelor's degree. With the University of Dubuque's Community Reach 99, we've removed the barriers to completing your undergraduate degree.

Cost

Tuition for eligible transfer-major graduates, before federal and state aid, will be less than an Iowa public university.

Transfer Credits

Academic courses that you've taken will transfer and you could graduate in two years or less.

Transfer Agreements

Degree completions can be achieved through one of the following degree completion tracks: Biology, Business, Chemistry, Communication, Criminal Justice, Mathematics, Psychology, Sociology, or Theatre.

Other Degrees

An associate of science degree in Biology or Chemistry can also lead to a bachelor of science in Medical Science or Biomedical Science in two years. For further information on Community Reach 99, visit www.dbq.edu/communityreach99.

Psychology

Transfer students with an AA in Psychology from an Iowa Community College wishing to gain a BA in Psychology will be able to complete degree requirements in two years at the University of Dubuque.

A BA in Psychology will prepare you for post-graduate work in any of the fifteen subfields of psychology, including but not limited to: clinical psychology, counseling, experimental, forensic, health psychology, industrial/organizational, rehabilitation, social, and sport & performance psychology. Students transferring to the University of Dubuque will earn 1:1 transfer credits for the following major requirement courses:

- **PSY 110 Introduction to Psychology**
- **PSY 220, PSY 223, or PSY 227 (Area 1)**
- **MATH 230 Introduction to Statistics**
- **PSY 310 Social Psychology (Area 4)**

PSYCHOLOGY

This transfer pathway removes 12 of the 48 required credits from the degree program. In addition, some psychology electives taken at your Iowa Community College will also likely transfer in to cover psychology requirements at the University of Dubuque. Students choosing this transfer pathway will be able to graduate in two years or less by following the recommended BA in Psychology degree plan:
