Community Reach 99

Transfer majors are an affordable and direct pathway to the completion of a bachelor's degree. With the University of Dubuque's Community Reach 99, we've removed the barriers to completing your undergraduate degree.

Cost

Tuition for eligible transfer-major graduates, before federal and state aid, will be less than an Iowa public university.

Transfer Credits

Academic courses that you've taken will transfer and you could graduate in two years or less.

Transfer Agreements

Degree completions can be achieved through one of the following degree completion tracks: Biology, Business, Chemistry, Communication, Criminal Justice, Mathematics, Psychology, Sociology, or Theatre.

Other Degrees

An associate of science degree in Biology or Chemistry can also lead to a bachelor of science in Medical Science or Biomedical Science in two years. For further information on Community Reach 99, visit www.dbq.edu/communityreach99.

Theatre

Transfer students with an AA in Theatre from an Iowa Community College wishing to gain a BA in Theatre will be able to complete degree requirements in two years at the University of Dubuque.

A BA in Theatre provides a path to graduate school and/or a variety of career options, as well as skills for a lifetime of personal creative fulfillment. Theatre careers include, but are not limited to, performance, playwriting, teaching, creative consulting, technical direction, and arts administration and media. Theatre study also hones broader skills such as public speaking, analytical thinking, and creative collaboration. Students transferring to the University of Dubuque will earn 1:1 transfer credits for the following major requirement courses:

- **THEA 115 Intro to Performance & Group Dynamics**
- **THEA 204 Stagecraft I**
- **THEA 228 Great Plays Analysis**

THEATRE

This transfer pathway removes 9 of the 41 required credits from the degree program.
