

Because of you...

"Everything invested in the University of Dubuque makes students, professors, coaches, the campus, etc. better than it was before. We greatly appreciate your support and everything you do for UD!"

-Emma Powell (C'24)

What is your major?

I am a Communication Major with Minors in Marketing and Human Resource Management.

What/Who makes UD special?

The people at UD is what makes this school unique. We truly are a community where everyone supports everyone. Seeing my professors in the stands at volleyball games, along with friends and other athletes just shows how caring everyone is.

What are you involved in?

I am on the Women's Volleyball team, a Wendt Character Scholar, and am also a part of Alpha Chi, NextUp Young Professionals and on the Eagles Eyes of the Future Committee.

What is your favorite thing about UD?

I have been given opportunities that I couldn't have experienced anywhere else and have found some of my best friends at the University of Dubuque, which is why my favorite thing about UD is the people. I also love how pretty the campus gets, especially in the fall!
