

What is your major?

I am about to start my junior year. I am double majoring in Flight Operations and Aviation Management.

What are you involved in?

I am a student ambassador, a resident assistant, and a part of the AOSC (Aviation Oversight Safety Council).

Where do you see yourself after graduation?

After I graduate from UD, I hope to become a corporate pilot.

What makes UD special?

UD is full of so many different people from all walks of life. It is so special that I am able to connect with many different groups on campus while feeling included.

“I am so appreciative to attend college with less of a financial burden. Investors of UD make our education possible, and for that, I am so lucky and grateful.”
