

### What is your major?

I'm a junior Digital Art and Design major with a minor in Communication.

### What are you involved in?

I'm involved in the Asian Student Union, Photography Club, NSLS, and I take photos and create content for UD athletics.

### What are your plans after college?

My goal is to be a social media coordinator in the professional sports industry. I am excited to utilize the skills that I've learned here as a graphic designer while also pursuing my passion for photography.

### What makes UD special?

UD is special because it's a community of people who truly care about you. There are chances to network, advance your leadership skills, and learn about people from different cultures.

*"Thank you for making dreams a reality. As a DART major, the resources we have been provided (computers and programs) have made a significant impact on my education!"*
