

ELIZABETH TUCKER (C'26)

My name is Elizabeth Tucker, a junior at the University of Dubuque studying education. I am a member of the women's golf team, serve on the Student-Athlete Advisory Council (SAAC), and assist with sporting events on campus. I am originally from China and was adopted at a young age, which has given me a unique perspective on life. I strive to maintain a positive outlook in everything I do, whether it's on the golf course or in everyday life.

The support I have received from UD has played a huge role in my experience. Without it, I wouldn't have had the opportunity to compete in golf at the collegiate level. Every contribution makes a lasting impact, not just for me but for many students who are working towards their future. The connections I have built with my teammates, professors, and coaches has made my time at UD truly special, and I am grateful for the experiences and opportunities this community has given me.
