

# Because of you...

"I could not attend college without your investments and contributions into the University of Dubuque. Learning about these contributions inspire me to work hard to be able to do the same someday for future college students."

*-Samuel Maas (C'25)*

## **Where is your hometown?**

Bolivar, Missouri

## **What is your major?**

Flight Operations

## **What is your favorite thing about UD?**

The aviation program!  
This has been part of my family since the 1960's with my grandfather. Though he isn't here to see me now, I know he's watching over me smiling.

## **What are you involved in?**

I am a thrower on the UD track and field team. I throw shot put, weight throw, hammer throw, and discus.

## **What makes UD special?**

Moving from a small town to Dubuque was scary because I didn't know what to expect. However, my teammates took me in like another member of their family. I see them every day and they always put a smile on my face.
