

What is your major?

I am a fifth-year senior, and am majoring in business administration.

What are you involved in?

I am a guard on the basketball team here at UD!

Where do you see yourself after graduation?

I am still deciding what I want to do, but I would love to play basketball overseas if the opportunity presents itself!

What makes UD special?

UD is a wonderful place where I am able to develop close relationships with advisors and professors! I have also made great relationships that will last a lifetime.

“UD has some of the best facilities and resources in both academics and athletics. Thank you for all you do for our campus!”
