

Because of You

"Without your investments, it would not be the community that it is!"

- *Alyssa Grueneberg (C'22)*

Where is your hometown?

Muskego, Wisconsin

What is your major?

Criminal Justice

What are you involved in?

On campus, I am on the softball team. In the Dubuque community, I have been an advocate of domestic violence awareness.

What are your plans after graduation?

I plan to continue to advocate for people that have experienced a violent crime, specifically working with those of domestic violence. My main goal is to make a difference in someone's life and be a part of their journey to freedom.

What/Who makes UD special?

Overall, the staff is what makes UD special. Looking back on my years here, all of my professors have cared about me as a person, not just a student.

What would you like to say to those who invest in UD?

Thank you! Not only to those who contribute their money, but also those who contribute their time to make UD a place I am so proud to be a part of.
