

# Because of You

"I hope that all those who invest in UD understand how special of a place it is."

*-Kolton Kaiser (C'22)*

## ***Where is your hometown?***

Warren, Illinois

## ***What is your major?***

Elementary Education (K-6) with endorsements in Reading, Instructional Strategist 1, and Coaching

## ***What are you involved in?***

Teacher Education Board Member and CRWC  
Recreation Staff Member

## ***What are your plans after graduation?***

I plan on heading to the Naperville area to find a teaching position!

## ***What/Who makes UD special?***

While I could speak about a variety of people and components of the college, I will focus on the education department at UD. The faculty care about us as a person, that by the end of my time here, they feel like a separate family.

## ***What would you like to say to those who invest in UD?***

UD is so much more than a college. It is a community of people that want people to succeed. Your investment is being put to good use!
