About ICoRN

Formally established in 1984 as the Iowa Private College Career Consortium, we have grown in recent years and changed our name in the process. Now the **Iowa College Recruiting Network (ICoRN)**, our consortium is a cooperative recruiting service representing 29 independent colleges and universities across Iowa holding membership with the **Iowa Association of Inde-**

IOWA COLLEGE RECRUITING NETWORK

Students... Welcome to ICoRN!

Welcome to the Iowa College Recruiting Network (ICoRN)! Whether you are seeking an internship or a full-time position, you will be well served by taking advantage of the recruiting events sponsored by ICoRN. This state-wide recruiting network of Iowa's private colleges and universities will provide you access to several leading employers across Iowa, throughout the Midwest, and around the country. ICoRN currently hosts three distinct recruiting events designed to connect students from our 29 member colleges and universities with employers from a wide range of companies and industries. These events include the following:

Accounting Interview Day

Spring Interview Day

Healthcare Online Event

What ICoRN Can Do For You

- ICoRN offers a convenient, centralized, and productive recruiting service for employers and students.
- ICoRN hosts pre-selected interview events and career fairs for positions in management, accounting, consulting, marketing, education, human services, information technology, administration, and more.
- ICoRN allows students to network and gain valuable information about a variety of employers during interview opportunities and career fairs. ICoRN provides employers with top talent from a combined total of over 50,000 students.
