July 27, 2010

Dr. Jeffery F. Bullock  
Office of the President  
University of Dubuque  
2000 University Avenue  
Dubuque, IA 52001-5050

Dear Dr. Bullock:

At its Annual Meeting held July 13-16, 2010, the Accreditation Committee and the Board of Trustees of the Aviation Accreditation Board International (AABI) acted on the application for accreditation submitted by the University of Dubuque on October 27, 2008, for the following programs:

B.S. in Aviation Management (AABI Management)  
B.S. in Flight Operations (AABI Flight Education)

I am pleased to advise the Board action was to accredit the programs for a period of five years with no interim reports required. Based on a review of the institutional response, the Board is satisfied that the institution is making satisfactory progress on each of the Recommendations cited in the Visiting Team Report.

Enclosed with this letter is a public release policy, which has been excerpted from the AABI Policies & Procedures Manual. Please advise appropriate members of the faculty and staff of the necessity to adhere to this policy. A Certificate of Accreditation is also enclosed, along with a list of accredited programs and an evaluation form which we would ask be completed by the person you think appropriate and faxed to this office at (334) 844-2432.

On behalf of the AABI Board of Trustees, congratulations and thank you for the confidence that you have placed in AABI and the commitment that you have evidenced toward quality aviation education through membership and successful application for reaffirmation. Since the accreditation of the University of Dubuque will expire on July 31, 2015, we suggest that an application be submitted for reaffirmation no later than July 2013 in order to allow approximately 24 months for the reaffirmation process. Failure to adhere to this timetable may result in the termination of accreditation requiring an initial application as a new program with associated fees.

Please call me with any questions at (334) 844-2431.

Sincerely,

Gary W. Kiteley, CAM, MCFI  
Executive Director
