

UNIVERSITY OF DUBUQUE

CONDITION OF AWARDS:

Your financial aid award is based on what you reported to be your intended **enrollment status** for the next academic year. You must be enrolled in a **degree-seeking program**. The number of credits for which you enroll has a direct impact on your financial aid award, which is disbursed equally by semester. You must notify the Office of Student Financial Planning when you add or drop credits or withdraw from school.

You must be a United States **citizen or permanent resident** to receive State and/or Federal Title IV Funds.

You must show **satisfactory academic progress**, as defined in the current University catalog to continue eligibility for financial aid.

If selected for **verification** on your **Free Application for Federal Student Aid (FAFSA)**, all requested documents must be submitted before financial aid will be disbursed.

All financial aid is **subject to change**, depending on availability of money, errors made in determining eligibility, furnishing false information, or the receipt of assistance from off-campus sources such as Vocational Rehabilitation, Employer Tuition Assistance, Veterans Benefits, or other scholarships.

If you receive any scholarships or grants from sources outside what was awarded from the University, the amount of loans may be adjusted if necessary. Notify the Office of Student Financial Planning as soon as you know you will be receiving any outside financial aid.
